

ITS Midwest is one of the oldest Chapters of the Intelligent Transportation Society of America (ITS America). We are committed to leading, supporting, and promoting programs providing safe, efficient, and sustainable transportation across all modes throughout Illinois, Indiana, Ohio, and Kentucky.

What We Do

Outreach

Education

Networking

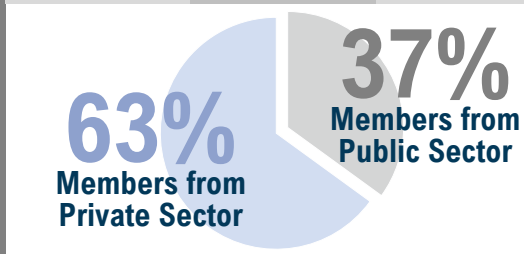

We provide these services across our diverse membership.

How We Work

As a volunteer organization, we work within an open structure so all members are encouraged to participate in our programs and that the organization serves the members directly.

Membership Overview

 591 Members	 87 Different Organizations*	 23 Vendor Companies	 34 Consultant Companies	 4 Municipalities	 4 Universities	 7 State/County DOTs	 3 Toll Road Providers
--	--	--	--	---	---	--	--

Membership in ITS Midwest is open to corporations, companies, government agencies, individuals, universities, and other organizations interested in ITS development and deployment. Chapters like ITS Midwest are key in outreach, education, and support for ITS technical and planning activities.

* Across all 4 Chapter States
