

University-Sponsored Membership

PURPOSE: To increase student participation in ITS Midwest, the Board of Directors and membership have approved a by-law amendment creating an additional membership option. This update aims to make conference attendance more accessible for students, provide expanded opportunities for them to present their research, and simplify the process for universities to support student involvement.

COST: \$3,000/year

WHO CAN GET ACCESS: University-wide access for staff and enrolled students, with roster management by designated university contact (Primary Corporate Member)
